

January 12, 2011

Dear Friends,

On behalf of Nat King Cole Generation Hope, we wish you all a happy, healthy and prosperous New Year. We would like to thank you all for your kindness, commitment and generosity in 2010.

Our foundation continues with its vision to provide the world of music to children in our communities and beyond. Music is an invisible thread and universal language that brings the world together. It is in honor of our father, the late great Nat King Cole that we make our commitment to spread the joy of music to children, particularly underprivileged youth of this generation.

Jaega Middle School in West Palm Beach was our most recent recipient of over 40 instruments delivered for their band. In addition, we have made additional donations of various instruments to public schools within South Florida's Tri-County area. As always our focus is on reaching children with the greatest need and fewest resources.

In the year ahead we plan to expand our programs to include mentoring programs to include instrumental and voice instruction.

Please continue to join us on our musical journey with your donation to Nat King Cole Generation Hope in the amount of your choice.

For details of up and coming events, and to make your donation, please visit our new website: [natkingcolefoundation.org](http://natkingcolefoundation.org). We are kicking off a fun-filled season of events. We hope to see you at all of them!

We look forward to sharing the fun and of course the message of music.

Warm Regards,

Timolin Cole

Casey Cole
